Description

BARCELONA ZERO LIMITS INCOMING SERVICES Barcelona Zero Limits Incoming is a travel agency specialized in inclusive Tourism. We make Barcelona accessible for all, offering the best accessible hotels, activities and adapted transport. All of which have been tested by us in order to make your stay a unique experience. We promote inclusive tourism offering a personalized service, adapted to each particular customer's need. We are specialized in tourism for people with mobility problems, however our activities can be enjoyed by everyone! Our offices are in Barcelona, and with a great professional team we offer: Personalization Companies, large or small, are not abstract entities, they are people, and we mean by personalization, immediacy and access between the client and us. Available 24 hours a day, assisted by an emergency number, attended by a senior member of our staff, our clients will feel secure knowing that they are being looked after by people who care. We are always on the other side, serving. Trust Confidence is obtained with effective and honest work. We exist thanks to the mutual trust between customers and suppliers. It is the building block of all our business. At Barcelona Zero Limits incoming services we take great pride in the confidence that our clients have placed in our work. Our clients give us the responsibility to serve and we do it with enthusiasm and knowledge. We organize and offer hotel accommodation, as well as transport, tour guides, and all kinds of services to organize your trip: always with the highest quality of service and price.
